

PROCEEDINGS OF THE BROWN COUNTY
PUBLIC SAFETY COMMITTEE

Pursuant to Section 19.84 Wis. Stats., a regular meeting of the **Brown County Public Safety Committee** was held on Wednesday, September 7, 2011 in Room 200, Northern Building, 305 East Walnut Street, Green Bay, Wisconsin

Present: Tom De Wane, Dave Kaster, Pat Buckley, Andy Nicholson
Excused: Tim Carpenter
Also Present: Judge Zuidmulder, Beth Robinson, Jeff Oudeans, Jenny Hoffman, Karl Fleury, Tom Miller, John Gossage, Don Hein, Troy Streckenbach, Bill Dowell, Cullen Peltier, Susan Tilot

I. Call Meeting to Order

The meeting was called to order by Chair De Wane at 5:00 p.m.

II. Approve/Modify Agenda

Motion made by Supervisor Kaster, seconded by Supervisor Buckley to approve. Vote taken.
MOTION CARRIED UNANIMOUSLY

III. Approve/Modify Minutes of August 3, 2011

Motion made by Supervisor Kaster, seconded by Supervisor Buckley to approve. Vote taken.
MOTION CARRIED UNANIMOUSLY

At this time Chair De Wane suggested that Item 4 be moved forward due to the absence of Clerk, Darlene Marcelle as it was his understanding that Marcelle wished to speak with regard to Item 3.

Motion made by Supervisor Kaster, seconded by Supervisor Buckley to take Item Number 4 at this time. Vote taken. **MOTION CARRIED UNANIMOUSLY**

Although shown in proper format here, Item 4 was taken at this time.

1. Review of minutes:

- a. Fire Investigation Task Force General Membership (May 26, 2011).

Motion made by Supervisor Buckley, seconded by Supervisor Nicholson to receive and place on file. Vote taken. **MOTION CARRIED UNANIMOUSLY**

Communications:

- 2. Communication from Supervisor Buckley re: Review Public Safety at Airport. Primarily staff of Sheriff's Deputies on site per Federal requirements. Also review overall fire and security contracts. Held from August, 2011 meeting.**

Airport Director Tom Miller stated that due to the security sensitive nature of this matter, he had met with County Executive Streckenbach, Sheriff Gossage, Supervisor Buckley and Federal Security Director for Transportation Tim Decker on August 19, 2011 to discuss airport security

and this communication. Mr. Decker advised the group that the airport is in compliance with federal requirements for airport security.

Motion made by Supervisor Nicholson, seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

3. **Communication from Supervisor Buckley re: Discontinue alarm permits and fees for business and residential alarm users. We are penalizing the people that are trying to be pro-active against burglary. *Held from August, 2011 meeting.***

Supervisor Buckley stated that this communication is based on the undue taxation of businesses and citizens trying to be pro-active with regard to crime. It is Buckley's opinion that people are being punished for trying to be pro-active in that they are being charged for alarm permits and also for officers to respond to their alarms while those without alarms are not charged for officers to respond.

Sheriff Gossage explained that he had spoken with County Clerk Darlene Marcelle regarding this and currently an annual permit is \$25.00, but this will be increased to \$28.00 for 2012. Gossage also stated that the first time the Sheriff's Department responds to an alarm a warning letter is issued; the second time there is a charge of \$25.00, third time results in a charge of \$50.00 and the fourth and all subsequent times result in a charge of \$100.00 per call. If there are more than 12 calls in one year, the permit may be revoked. Gossage stated that generally a business may have one or two calls per year, but there are problematic businesses that have numerous calls resulting from employee error and/or faulty alarms. There is no charge by the Sheriff's Department for responding to a legitimate alarm. Gossage also stated that the budgeted revenue for responding to alarms in 2011 was \$1,000.

Buckley stated that typically when an alarm goes off the alarm company is contacted and they in turn contact the key holders as well as the appropriate jurisdiction for dispatching. Gossage stated that two officers respond to every call; however, it is a non-emergency response, unless there is a burglary in progress.

Supervisor Kaster felt strongly that businesses that have multiple calls due to faulty alarms need to have some sort of consequence to encourage them to get their alarms fixed so police do not have to continue responding to false alarm calls.

County Executive Streckenbach stated that he felt there also needs to be some mechanism to keep operators and merchants in check because many times alarms go off due to employee error. He felt the merchant should be responsible for making sure that their staff is doing their job and not having alarm issues arise thus offsetting the unnecessary use of law enforcement resources.

Motion made by Supervisor Buckley, seconded by Supervisor Nicholson to eliminate alarm permits. Vote taken. MOTION CARRIED UNANIMOUSLY

Drug Court:

4. Update on Drug Court by Judge Zuidmulder.

Judge Zuidmulder and Drug Court Coordinator Beth Robinson presented the Committee with an update on Drug Court. A copy of the handout provided to the Committee is attached.

Motion made by Supervisor Buckley, seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

District Attorney:

5. Monthly drug criminal complaint numbers (handouts to be provided at meeting).

Susan Tilot of the District Attorney's office provided the Committee with Criminal Drug Charges Filed in June, July and August, 2011. A copy of this report is attached. She wished to draw the Committee's attention to the fact that most of the defendants are from the Green Bay area and also that the majority of charges are for manufacturing and delivering.

It was agreed by Tilot and the Committee to follow one particular defendant through the process to see the disposition and Tilot will provide updates in this regard.

Motion made by Supervisor Buckley, seconded by Supervisor Nicholson to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

Public Safety Communications:

6. Budget Status Financial Report for July, 2011.

Communications Director Karl Fleury stated that overtime is still a little high, but he felt that now that summer vacations are over this will ease up somewhat. He also stated that they have four viable candidates for their open positions and there are also some employees coming off of training which will help ease the exposure to overtime.

Motion made by Supervisor Buckley, seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

At this time Emergency Management Director Cullen Peltier stated that Items 7 and 8 go together.

Motion made by Supervisor Buckley, seconded by Supervisor Kaster to take Items 7 & 8 together. Vote taken. MOTION CARRIED UNANIMOUSLY

7. Budget Adjustment Request (11-106): Increase in expenses with offsetting increase in revenue.

8. Grant Application Review (11-11): Patient Tracking Pilot.

Peltier stated that this is a quick turn-around pass through, no match grant to participate in a patient tracking program where they track patients between on-scene EMS crews and the hospitals.

Motion made by Supervisor Buckley, seconded by Supervisor Kaster to approve Items 7 & 8. Vote taken. MOTION CARRIED UNANIMOUSLY

9. Director's Report.

Communication Director Karl Fleury stated that he had been busy with the NFL Return to Football celebration scheduled for September 8 at Lambeau Field and that many resources are being utilized for this event. He wished to advise the Committee that extra staffing by Brown County that will be linked directly to the concert is being billed back to the NFL.

With regard to the radio project, Fleury stated that the project is moving forward at an appropriate pace. The entire project should be completed by the end of 2012.

Fleury also stated that his Department recently had an employee staff meeting to address concerns and discuss expectations and the re-write of Chapter 4.

Motion made by Supervisor Buckley, seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

Sheriff:

10. Budget Status Financial Report for July, 2011.

Accountant Don Hein stated that expenses are below revenues. Through July they are at 58% of budgeted revenue and 57% of budgeted expenses. He did mention areas that have increased that they are watching and these include fuel costs and utility costs since moving to the new facility.

Motion made by Supervisor Buckley, seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

11. Key Factor Reports and Jail Average Daily Population by Month and Type for the Calendar Year 2011.

Sheriff Gossage wished to point out that the projected adult jail revenue from the federal government is doing very well this year due to a larger than expected number of federal inmates. The revenue budgeted for this was \$475,000; however, Gossage predicted the figure would be closer to \$600,000 based on the current trends.

Gossage also stated that they will be increasing the electronic monitoring program. The plan is to increase revenue by increasing the fees for the GPS program. This program is much more effective and efficient than the Huber program. He is proposing in the 2012 budget that there be a \$50.00 set up fee for the program and also that the daily fee be increased from \$20.00 to \$23.00. By increasing the number of people on the GPS systems, they will also decrease the jail population which will save overtime costs.

Motion made by Supervisor Nicholson, seconded by Supervisor Kaster to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

12. **Sheriff's Report.**

Sheriff Gossage stated that a grand opening at the new Sheriff's Office will be held for the public on September 10, 2011 from 11:00 a.m. – 3:00 p.m., with a ribbon cutting ceremony at 1:00 p.m. The event will include several food vendors providing samples to showcase their restaurants in the Bellevue/Allouez area. Gossage also stated that signage has now been added to the building and he thanked Jeff Oudeans and his crew for getting that taken care of.

Sheriff Gossage also reported on the NFL Kickoff celebration and stated that although it is great for the community, from a security standpoint it is a very large project. The Sheriff's Department will have approximately 34 employees designated for the pre-concert events, but as stated earlier, all of the expenses will be billed back to the NFL and he is keeping very close track to assure that the correct amount is billed.

Sheriff Gossage also spoke on the inmate work reduction program. This entails inmates doing work out in the community in return for sentence reductions. Any municipality in Brown County can utilize the workers for work approved by the Sheriff's Office. The tasks will be menial and will not involve working with any heavy machinery that would jeopardize a union job. Tasks could include beautification projects such as weed pulling and sweeping cobwebs.

The last thing Sheriff Gossage reported on was state probation holds. Currently Brown County is at 16,632 jail bed days which would result in revenue of approximately \$ 465,696. The budgeted amount was \$350,000.

Supervisor Nicholson asked for an update on the jail fencing project and Gossage advised that this project is currently going through the RFP process.

Motion made by Supervisor Nicholson, seconded by Supervisor Buckley to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

13. **Circuit Courts, Commissioners, Probate** – Budget Status Financial Report for July, 2011.

Motion made by Supervisor Nicholson, seconded by Supervisor Buckley to receive and place on file. Vote taken. MOTION CARRIED UNANIMOUSLY

Clerk of Courts – No agenda items.

Medical Examiner – No agenda items

Other:

14. **Audit of bills.**

Motion made by Supervisor Nicholson, seconded by Supervisor Buckley to approve the bills. Vote taken. MOTION CARRIED UNANIMOUSLY

15. **Such other matters as authorized by law.**

Motion made by Supervisor Nicholson, seconded by Supervisor Kaster to adjourn at 6:35 p.m.

Vote taken. MOTION CARRIED UNANIMOUSLY

Respectfully submitted,

Therese Giannunzio
Recording Secretary

Brown County Drug Court Program

Table 1: Drug Court Participant Numbers

Category	Number
Total Participants to Date	18
Current Participants	9
Successful Graduates	5
Terminations*	4
Additional Approved Participants	2
Individuals in Referral Process	3

*The national average for terminations is between 25-40%; with 18 total participants served to date and 4 terminations, we are currently at 22%.

Table 2: Community Activities of Current Drug Court Participants

Description of Activity	Number
Full-Time Employed	4
Part-Time Employed	2
Performs Community Service:	
• 20-30 Hours/Week	2
• 15 Hours/Week	1

Table 3: Financial Information

Estimates for September 2011		Actual Amounts for June 2011	
Description	Amount	Description	Amount
Total Estimated Gross Monthly Income by Employed Participants (Value Estimated at \$10/Hour)	\$9,317	Total Hours of Community Service Completed (Value Estimated at \$10/Hour)	\$2,315 (231.5 hours)
Total Estimated Monthly Community Service (Value Estimated at \$10/Hour)	\$2,810	Total Gross Monthly Income by Employed Participants (Value Estimated at \$10/Hour)	\$4,742.50 (474.25 hours)
Total Monthly Drug Court Fees (\$40 per month)	\$360	Total Monthly Drug Court Fees Paid	\$250
Average Monthly Jail Bed Days Saved *	215 days	Jail Bed Days Saved	184 days

*Please note that total jail bed days saved per participant will vary, depending on their sentencing structure. If, for example, the average participant was sentenced to 6 months of county jail, Drug Court participation could save up to 183 jail bed days per participant. If you take our current number of participants and use this figure, Drug Court participation would save up to 1,647 jail bed days. If you add an additional 915 jail bed days for our 5 program graduates, the program is saving 2,562 jail bed days thus far. Obviously, some individuals may get significantly more time than 6 months of jail (including prison time), which in turn would significantly increase the number of jail bed days saved per participant.

Our program goal is, and has always been, to get at least 15+ participants in the program at any one time.

Table 4: Overview of Accomplishments of First Drug Court Graduate*

Date of Admission	10/07/2009
Date of Completion	10/08/2010
Drug/Alcohol Tests Taken	155 (all negative)
Drug Court Sessions Attended	32
Office Visits with Coordinator	34
Home Visits with Coordinator	29
Supervision Sessions with Agent	29
Support Groups Attended	218
Community Service Hours	45.5
Employment Hours	915.5
Education Hours	809.75
Fees Personally Paid	100% (\$500)
Jail Bed Days Saved	365

*Please note that at the time the Brown County Drug Court was formed, we had a statistician/evaluator available through Human Services. This position has remained unfilled for over 6 months; therefore, we continue to work on finding ways to get data collected and tabulated.

Table 5: Specific Personal Accomplishments of First Graduate

Clean Time
<ul style="list-style-type: none"> - 234 days of Drug Court clean time (as proven by our testing program) - 19+ months of personal clean time
Treatment Services
<ul style="list-style-type: none"> - Successful completion of 30 days of residential treatment - Successful completion of 30 days of transitional residential treatment - Successful completion of outpatient treatment - OWI assessment and completion of Driver's Safety Plan
Other Services
<ul style="list-style-type: none"> - Budget counseling - Successful completion of a parenting program
Supports & Relationships
<ul style="list-style-type: none"> - Obtained a sponsor - Speaker at an area treatment program - Visitation with son - Improved relationships with family
Employment & Education & Community Service
<ul style="list-style-type: none"> - Employed part-time - Attending School part-time - Community service (until employed and in school)
Other Accomplishments
<ul style="list-style-type: none"> - Obtained a valid driver's license - Purchased, registered, and insured a vehicle - Obtained own apartment

Possible Program Growth Opportunity

In November of 2010, the Brown County Drug Court received \$10,000 from the Wisconsin Department of Justice. The Department of Justice settled a class action lawsuit involving a vitamins price fixing conspiracy; the department decided to take half of the settlement and distributed it to Drug Treatment Courts throughout the state. This money must be used to expand our program and cannot be used to supplement current funding for services already established by the program.

In an effort to explore how to best use these funds, the Drug Court Team has decided to explore becoming a Hybrid Drug Court, which is essentially a Felony Drug and OWI Court. The Drug Court Team will be attending a one day, no-cost, seminar to learn more about hybrid drug courts on September 14th. The Drug Court Team believes that expanding our program to accept felony OWI offenses, within established and approved limits, would be of great benefit to our community and would likely significantly increase the number of active participants in our program. The Drug Court Team is proposing to use the monies received from the Department of Justice for additional alcohol monitoring services, above and beyond the current testing practices of the Drug Court Program. For instance, technology is available for 24-hour alcohol monitoring via a monitoring bracelet. Previously, this level of alcohol monitoring was too expensive to be considered; however, the monies from the Department of Justice could be put towards these expenses.
